WHAT WE DO FOR YOU

Every institution that serves high school students in California needs to submit courses to the A-G Course Management Portal (CMP) for review by UC.

- Assist to create UC Account
- Review the different types of course submissions
- Review the course description & content requirements
- Review the A-G subject areas to ensure your course meets all of the requirements
- Submit approved courses
- Model courses
- Work with your course content experts to write new courses
